Dear Parents/Guardians:

As we try to finalize transportation needs for 2018-19 school year, I would like to ask you to take a brief survey. How do you envision your child(ren) being transported to and from the new campus? Please keep in mind there will be no need for 'shuttles' any longer. Please answer to the best of your ability, assuming a normal day.

The survey can be completed by selecting one of the following options:
