

COMMUNITY SURVEY – July 2016

- 592 responses
- 33% response rate
- 86% of participants said they are “satisfied” or “very satisfied” with the Melrose-Mindoro School District.
- 60% of participants said ‘yes’ or ‘probably yes’ to the question “Would you support a \$27.5 million referendum to create a consolidated campus?”

(I would add a statement here that says something along the lines of “Please click [here](#) to see the full survey results.”
And link to a PDF of the results.)
