Fax – (608)488-2805

April 17, 2020

Dear Melrose-Mindoro Families,

As you may have heard, Governor Tony Evers extended the Safer-at-Home order and directed the closure of all K-12 schools, public and private, for the remainder of the school year. Although Governor Evers has ordered the closing of all school buildings, the district plans to continue our virtual and at-home learning opportunities until May 29, 2020.

Our staff is dedicated to maintaining contact with students throughout this extended disruption. We know that continuing relationships among students, staff, and families is extremely important. Our staff will continue to make contact via email, phone, or Google Classroom with each student in their homeroom on assigned dates. Teachers will check on student progress, provide feedback, and answer any questions students or parents may have on assigned work.

In addition, meal distribution will continue for our students for the remainder of the 2019-2020 school year. Planning continues for our summer school program, although we may need to adjust dates in response to CDC guidelines and government restrictions.

We realize that this decision to close for the remainder of the year has caused a great deal of concern and disappointment for our students, staff, and families. Please be reassured that we will do everything possible to support our students, families and staff through this health crisis. We will continue to share information as we finalize our plans to return students' personal items, collect district issued materials, and transition to the summer programming.

If you have any questions or concerns, please contact me at arzt@mel-min.k12.wi.us or 1 (608) 488-2201, Ext. 1169.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jeff Arzt', written over a white background.

Jeff Arzt
Superintendent
